

CS356: Final Review

W. Michael Petullo

University of Wisconsin–La Crosse

As of December 14, 2021

Saturday, December 18 at 7:45–9:45 p.m. in Morris 370

- ▶ This will be an **INDIVIDUAL-EFFORT**, exam. No discussion or collaboration is permitted among students. Direct **ALL** questions to the instructor.
- ▶ This will be a written exam.
- ▶ You are permitted to use a **DOUBLE-SIDED** $8\frac{1}{2}\times 11$ sheet of **HAND-WRITTEN** notes. All other aids are forbidden.

Ideas for Studying and Optional Lab Period

I will hold office hours today and tomorrow. By appointment on Thursday and Friday.

- ① Complete missed assignments
- ② Revisit assignments: solve using expedient form; for example, `echo` and `nc`
- ③ Review reading assignments and your notes
- ④ Ask general questions
- ⑤ Organize your knowledge (represented by exam note sheet); this is, after all, why you are here!

Study for final!
