

# CS356: Introduction

W. Michael Petullo

University of Wisconsin–La Crosse

As of April 5, 2022

- ▶ <https://www.flyn.org/courses/cs356-2021-fall/>
- ▶ <https://www.aquinas.dev/>
- ▶ Hacking: The Art of Exploitation by Jon Erickson (Read 0x200–0x267)

Your task: given Thursday's lecture, five hours of office hours, and the ability to schedule office visits over email; complete Aquinas ssh, unix, git, and hello in C before class on Tuesday.

Please refer to the course website for reading and homework assignments.
